

## Enhance Profit Margins

### Executive Overview

Our objective is to help you succeed. We accomplish this by ensuring tax returns are properly filed, financial statements are accurate and on time and you receive the specific support manufacturing companies require. Our professionals will help assess and apply manufacturing specific incentives such as the domestic production deduction, and work with you to optimize inventory management, allocation processes, and pricing strategies.

- + Audits & Reviews

### Profit Refinement Focused

At tonneson + co we work with you to review ideas, tackle obstacles and plan. Our professionals help develop and implement a long-term vision to help achieve your goals. We support, challenge and motivate our clients.

### Timely & Accurate Engagements

Our professionals show up when scheduled, proactively communicate, and return emails and phone calls promptly. Those actions might seem to be an expected part of every engagement, but our support is one of the main reasons clients switch to, and stay with our firm.

### About tonneson + co

tonneson + co provides audit and assurance, tax and advisory services for emerging entities to clients with approximately \$1B in revenue. We have clients in a dozen countries and several specialty niches. M & A is one niche where our largest transaction to date has been \$200M.
